International Calling Rates

Our Low international rates and our convenient International call plans are designed to make long distance calling a pleasant experience. International Calling time is available in \$5, \$10, \$20 \$50 and \$100 amounts.

To help you choose the amount you will purchase for global calling check the rates below. It will only take a minute to figure out those places you call and what the costs are to see your savings.

The given values on this site are converted from USD using exchange rates gathered from the Federal Reserve Bank of New York, representing the 12 noon buying rates on Jan 06, 2010 and the International Monetary Fund, according to their availability.

Due to fluctuation in international currency, rates are subject to change without notice.

Values and dates are believed to be reliable but UnifiedDirect makes no warranties regarding these values, fitness for a particular purpose, accuracy or availability.
